

Pegatron Japan Inc.  
To All Applicants  
Agreement on Handling of Personal Information

We will keep the personal information of applicants, and we have established the following policy regarding the handling of such personal information, and are committed to protecting it.

**【Purpose of use of personal information】**

For contacting applicants and considering employment.

**【Provision of Personal Information to Third Parties】**

We will not provide applicants' personal information to third parties without their consent, except as required by law.

**【Outsourcing of Handling Operations】**

We do not outsource the handling of personal information.

**【Voluntary nature of provision of personal information】**

The provision of personal information by applicants to the Company is voluntary. However, please understand that if you do not provide personal information, we may not be able to consider you for employment.

**【Requests for Disclosure of Personal Information】**

Applicants have the right to request notification of the purpose of use, disclosure, correction, addition, deletion, and the right to refuse use or provision of their personal information. In case of need, please contact the following office.
